8. Received call from Miss Cron, office of Rep. Carroll D. Kearns, (D.,Pa.), inquiring about case of who, she said, had received a telegram and come down from Meadville, Pa., and asked to fill out lengthy papers, etc., only to be told that the job for which he had been considered was being filled by a woman. Learned from Personnel that the telegram — (which had ordered sent on 4 Aug)—(had been sent on 11 Aug to his home in Hyattsville, where it was forwarded to Meadville. Came in yesterday — 9 days later, and was told that the job for which he was originally considered was being filled, but that he would be considered for another. Called the Congressman's office and, in the absence of Miss Cron, spoke to Miss Ryan. Explained about the telegram and the second job possibility, adding that was in again this afternoon and seemed satisfied with the second prospect.
